Important Kit Assembly Information

- All items included in kits must be NEW items.
- All emergency kits are carefully planned to make them usable in the greatest number of situations. Since strict rules often govern product entry into international countries, it is important that kits contain only the requested items—nothing more.
- Do NOT include any personal notes, money or additional materials in the kits. These things must be painstakingly removed and will delay the shipment.

Special Note: For those that will gather kits to deliver to the St. Matthew's Hub, please count the # of kits, remove the \$1.00 from each kit, pack the kits in boxes, (they can be open top boxes), place the funds in a sealed envelope with your church/organization name, contact person and phone number. Also indicate the # of kits and the amount of funds inside or outside the envelope. Contact St. Matthew's Disaster Response/Outreach Hub by e-mail at missions@stmatthews-bowie.org, or call 301.262.4691 to arrange for a drop off date and time.
